NOTE FOR: Director of Central Intelligence

SUBJECT: Marble Plaque for New Building

Bill,

The attached is a concept sketch of the marble plaque for the New Building. I have asked that the sculptor get on with the project. If you don't like the concept, give me a call and I'll get it changed. The sculptor will want to observe you at your desk for about one hour. He will not interfere with your continuing to work. There will be a fellow from Logistics who will contact Betty for this appointment.

Happy New Year!

Harry E. Fitzwater
